

**Supported by the Ministry of Agrarian Policy of Ukraine,
European Commission and GTZ**

**INTERNATIONAL INDUSTRIAL CONFERENCE AND EXHIBITION
«BIOFUELS. UKRAINE - 2008»
AGENDA**

Tuesday, 1 April 2008

13:00 – 17:00 Registration Desk Open

14:00 – 15:30 **Bioethanol Workshop for beginners**

Trainer – Mr. S.Tsygankov, PhD, Deputy Director on scientific work and new equipment, Institute of food chemistry and technologies of the National Academy of Sciences of Ukraine

- Designing and building a new project
- Securing the feedstock
- Technological Process
- Utilization of by-products
- Marketing the final product

16:00 – 18:00 **Biodiesel Workshop for beginners:**

Trainer – Mr. V. Semenov, PhD, Kharkiv Polytechnic University

- Designing and building a new project
 - Securing the feedstock
 - Technological Process
 - Utilization of by-products
 - Marketing the final product
-

Wednesday, 2 April 2008

08:00 – 18:00 Conference and Exhibition Secretariat open

09:00 - 10:00 *Registration of participants, Coffee break*

10:00 – 10:30 **CONFERENCE OPENING SESSION**

Welcome speech of **Mr. Y.Melnik, Minister of Agrarian Policy of Ukraine**
Welcome address by **Mr. Y. Prodan, Minister of Fuel and Energy of Ukraine**
Welcome address by **Mrs. L Garagnani, Head of Operations, Delegation of the European Commission to Ukraine**
Welcome address by **Mr. S. Pashinsky, Member of Parliament, author of the draft law on biofuels promotion in Ukraine**
Welcome address by **Mr. I.Cherkashin, Head of National Agency for Efficient Energy Use of Ukraine**
Greetings from **Mr. B. Paton, President of the Academy of Science of Ukraine**

10:30 – 13:00 **Plenary session: Trends of world biofuels market development and their impact on the Ukrainian market**

Moderator: Mr. V. Kravchuk, Ukrainian Center for Equipment Test-Run named after L.Pogorily

10:30 – 10:50 Governmental policies of Ukraine in the sphere of biofuels production and usage: governmental programs

Mr. O. Shevchenko, Deputy Minister of Agrarian Policy of Ukraine

- 10:50 – 11:10** The EU strategy on support and promotion of biofuels
Mr. D. Ceschia, Representative of the European Commission Delegation
- 11:10 – 11:30** Legislative framework for biofuels production in Ukraine
Mr. S. Pashinsky, Member of Parliament, author of the draft law on biofuels promotion in Ukraine

11:30– 12:10 *Opening of the Exhibition of modern equipment*

- 11:30 - 12:10** Coffee break, Sponsor

- 12:10 – 12:30** Overview of the current situation and perspectives of biodiesel production in Ukraine
Mr. V. Dubrovin, Institute of Ecobiotechnologies and Biotechnics of the National Agrarian University of Ukraine
- 12:30 – 12:50** Current situation and bioethanol production development potential
Mr. V. Sosnitsky, Concern "Ukrspirit"
- 12:50 – 13:10** Mainstream trends of biodiesel industry development in Germany in view of the new tax policies
Mr. T. Breuer, GTZ, Germany
- 13:10 – 13:30** › Biofuels production - for own consumption, or for Europe? Additional opportunities for Ukrainian agricultural sector
› **Mr. H. Kaletnik, UkrBioEnergy Association**
- 13:30 – 13:50** Producing bioethanol in Ukraine: technical aspects and process engineering
Mr. S. Tsygankov, Institute of food chemistry and technologies of the National Academy of Sciences of Ukraine

- 13:50 – 15:00** Lunch

15:00 – 18:00 *Plenary Session: Modern raw material processing technologies and production equipment*

Moderator: Mr. V. Drobot, UkrBioEnergy Association

- 15:00 – 15:20** Global experience of biofuels production: modern trends and achievements. Biofuels of 2nd generation
Mr. O. Shishkin, Genencor International, Russia
- 15:20 – 15:40** › World rape boom: short or long term trends?
› **Mr. H. Strubenhoff, Institute of Economic Research and Political Advice**
›
- 15:40 - 16:00** Issues of biofuel production facilities' reliable supply with feedstock
Mr. M. Bezuglyi, Ukrainian Academy of Agrarian Sciences
- 16:00 - 16:20** Position statement on technical regulations on ethanol and biodiesel production in Ukraine, certification and standardization
Mr. B. Kochyrko, "Masma" Institute, Ukraine

- 16:20 – 16:40** Coffee break, Sponsor

- 16:40 – 17:00** Results of biodiesel equipment testing
Mr. V. Kravchuk, Mr. V. Yasynetsky, Director of Ukrainian Center for Equipment Test-Run named after L. Pogorely

- 17:00 – 17:20** New Technologies of Heat Exchange and Separation in Production of Biofuels
Mr. D. Zahrebeniev, AlfaLaval Ukraine
- 17:20 – 17:40** European bioethanol industry development prospects
Mr. R. Vierhout, European Bioethanol Fuel Association
- 17:40 – 18:00** Discussion
- 18:00 -20:30** *Cocktail*
-

Thursday, 3 April 2008

- 10:00 – 13:00** **Biofuels technological production process**
Moderator: Mr. S.Tsygankov, Institute of food chemistry and technologies of the National Academy of Sciences of Ukraine
-
- 10:00 – 10:20** The First Ukrainian Experience of creating modern industrial biofuels production
Mr. E. Radovenyuk, GEA Wiegand GmbH, "KoronAgro" Ltd
- 10:20 – 10:40** Biodiesel fuel technological production process
Mr. M. Galloppa, Desmet Ballestra, Italy
- 10:40 – 11:00** Energy efficient technologies for grain-based bioethanol production
Mr. T. Schulze, Vogelbusch GmbH, Austria
- 11:00 – 11:20** Comparison of energy saving and cost efficient technologies for ethanol production
Mr. R. Leibig, MAN Ferrostaal AG, Germany
- 11:20 – 11:40** *Coffee break, Sponsor*
- 
- 11:40 – 12:00** Production capacities of the Ukrainian distilling industry and its potential for bioethanol fuel production
Mr. S. Oliynychuk, UkrNDIspiritbioprod
- 12:00 – 12:20** Biodiesel Application Guide
Mr. I. Bakhtin, Rohm and Haas, Russia
- 12:20 – 12:40** Trends in ethanol technology
Mr. S.Rohom, BioEnergy Europa B.V., The Netherlands
- 12:40 – 13:00** Discussion
- 13:00 – 14:30** Lunch
- 14:30 – 18:00** **Plenary session: Biofuels: Markets and Marketing**
Moderator: Mr. S.Sapegin, Director of Psihea Scientific and Technical Centre, Chief Editor of "Naftoprodukty" and "Terminal" magazines
-
- 14:30 – 14:50** 1st generation of biofuels - Polish market experience
Mr. A. Majoch, Fuel and Renewable Energy Research Institute, Poland
- 14:50 – 15:10** Prerequisites of the Ukrainian biofuels market development
Mrs. O.Makarchuk, Ukrainian Club of Agrarian Business Association

- 15:10 – 15:30** Practical usage of bio resources in agricultural industry
Mr. V. Drobot, UkrBioEnergy Association
- 15:30 – 15:50** Biofuels usage as an integral part of the environmental and energy policy allied for automobile transport of Ukraine
Mr. V. Ustimenko, DerzhavtotransNDIproekt, Ukraine
- 15:50 – 16:10** Coffee break, Sponsor 
- 16:10 – 16:30** Perspectives of biofuels in transport solutions
Mr. V. Reva, All-Ukrainian Transport Association
- 16:30 – 16:50** Biofuels in transport solutions: modern trends
Mr. A. Shadrin, Scania Ukraine Ltd
- 16:50 – 17:10** European Biodiesel Market Developments. Case study: Oxem SpA
Mr. P. Corvo, BioFuels Partners, Italy
- 17:10 – 17:30** Role of biofuels in Ukraine's energy supply
Mr. H. Babiyev, Mr. E. Bobrov, Analytical group of Ministry of Fuel and Energy of Ukraine
- 17:30 – 17:50** Analysis of practical introduction of Ventus and BIO-100 fuel brands to the Ukrainian internal market
Mr. S. Sapegin, "Psiheya" Scientific and Technical Centre
- 17:50– 18:00** Conclusions
